I have to go to another meeting at this time with the people that will present the PFAS briefing.

I already spoke with [REDACTED] this morning and agree with him on the HOF rotation—we need to use it for distributing cases to the HOF assessor on duty for that week.

This week is [REDACTED] if I am not mistaken.

(I did mark this private)

I do want to talk a minute about assigning HH cases...there were three cases identified last week (and I get that all three of us may not have gotten all the messages – either on the admin or cbi side):

1. P-20-0167 (from [REDACTED] Ex. 6 Personal Privacy (PP)); I said he is no longer doing new chems and we would assign)
2. P-16-0393 (from [REDACTED])
3. P-18-0281 (from [REDACTED] Ex. 6 Personal Privacy (PP))

I was under the impression these would fall to the person identified on the HH schedule for Hair on Fire (HoF) cases for the week they came in....so I was going to suggest they all go to [REDACTED]...and any this week would go to [REDACTED]...I know

[REDACTED] was just trying to help with P-18-0281, but I would like this system to work....perhaps we should just let [REDACTED] and [REDACTED] know?

I get that P-18-0281 has been assigned to [REDACTED]...but I would like to give the other two to [REDACTED] (the idea being that the cases came to us the week she was identified as being assigned to HoF).

What do you think? And I guess we need to be a bit more proactive when stuff comes in....I am open to ideas...and I get that this is perhaps more of a BC thing but wanted to bring it up.
